

# Wireless Display Adapter

Wirelessly project with ease  
Enjoy movies, photos, games, websites on your HDTV  
Modernize your meetings

# See it all on your big screen

Share what's on your tablet, laptop, or smartphone on an HDTV or monitor with the Microsoft Wireless Display Adapter. Stream movies, view personal photos, or display a presentation on a big screen – all wirelessly. It uses Miracast<sup>®</sup> technology, so you're not limited to certain apps or content streaming; you can display everything from your device. Just plug the USB and HDMI from the Wireless Display Adapter into your HDTV or monitor, connect, then mirror or extend your screen and enjoy.

## Wireless Display Adapter

## Features

**Wirelessly project** what's on your tablet, laptop, or smartphone<sup>1</sup> to your big screen

**Enjoy movies, personal videos, photos, games, websites,** and even PowerPoint presentations on your HDTV

**Modernize your meetings** by displaying business applications, Office documents, videos and websites through a conference room projector or monitor

Simply plug into an HDTV, connect, then wirelessly mirror or extend your screen
