

JAS Mini

Compact & Foldable Aluminum Display Stand

An impressive little wonder, the JAS mini aluminum display stand allows you to quickly turn a small space into the focal point of a room. Watch, work, play, and chat from the comfort of the stand.

JAS mini elevates your device and positions it at a more comfortable viewing angle so you can focus on what's important to you. Its minimalist design ensures that it remains very light and compact for travel. The high quality aluminum finish makes the JAS mini a perfect companion for your iPhone or iPad mini.
