

Android Charge & Sync Cable

Ideal Solution for charging and syncing your Android Device

PNY 6ft Charge & Sync Cable allows you to easily connect to your Android,[™] Windows Mobile, or BlackBerry[®] Devices to charge the battery or sync with your media library. Don't let your standard issued short cord hold you back. PNY's 6ft length provides a hassle free way to reach your wall charger, or the USB port on the front/back of most computer configurations. The ultra-light weight and flexible cord lets you stay connected while on the go with PNY.
