The **Razer Tartarus Chroma Gaming Keypad** features 25 fully programmable keys. Bind all your preferred skills, macros, and hotkeys for a highly personalized gaming experience. The 8-way directional thumb-pad not only lets you move with precision, it can also act as modifier keys. The Razer Tartarus Chroma features advanced ergonomics to ensure your hand feels snug as you play, whether in the first or tenth hour of gaming. Its adjustable wrist pad can be customized to two different positions so you get the exact angle of comfort you require. From your own custom uniquely programmed palette of colors, to preloaded lighting effects, all set easily through Razer Synapse, the Razer Tartarus Chroma lets you express yourself in a way that's unique to you.
