

G100s

Optical Gaming Mouse

HOW FAR IS TOO FAR? NOT FAR ENOUGH.

With exclusive 2500 DPI Delta Zero sensor Technology, this mouse breaks new ground when it comes to accuracy. Whether flying across the screen or honing in on one pixel, the G100s is crafted for high-speed, frenetic RTS and MOBA gameplay while also delivering exceptional accuracy for FPS titles.

2. Durable build

Long-lasting buttons are rated to 20 million clicks and low-friction feet are rated to last 250 km.

5. On-the-fly dpi switching

Shift from pixel-precise targeting (250 DPI) to lightning-fast maneuvers (up to 2500 DPI) with a single button press.

1. Delta Zero sensor technology

Exclusive 2500 dpi optical sensor gives you consistent high-accuracy targeting and cursor control.

3. Advanced surface materials

Hydrophobic and fingerprint-resistant coatings help prevent your hand from sticking to mouse.

4. Comfortable ambidextrous shape

The natural contoured shape delivers maximum comfort for right or left hand and any hand size or grip style.

6. 2-millisecond report rate

Experience zero delay. The mouse communicates with your computer four times faster than standard USB mice.

WHAT YOU NEED

- Windows 8®, Windows® 7 or Windows® Vista
- Available high-speed USB 2.0 port
- 70 MB of available hard disk space
- Internet connection for optional software download*

WHAT'S IN THE BOX?

Product description

100-word description

Precision meets comfort. Accuracy meets fluent maneuverability. Lightweight meets durability. With buttons designed for heavy clicking and a Logitech exclusive 2500 DPI Delta Zero Optical sensor built for accuracy at any hand speed whether flying across the screen or honing in on one pixel. The G100s is simple to use and specifically crafted for all your favorite RTS and MOBA games. Whether claw grip or conventional, left handed or right handed, small hands or large the ambidextrous inverted trapezoid shape guarantees you a solid feel at any hour.

50-word description

Precision meets comfort. Accuracy meets fluent maneuverability. Light-weight meets durable. With buttons designed for heavy clicking and a Logitech exclusive 2500 DPI Delta Zero Optical sensor built for accuracy at any hand speed whether flying across the screen or honing in on one pixel.
