The Lenovo Enhanced Performance Keyboard combines legendary keyboard quality, a two port USB hub for desktop expansion capability, a variety of specialty and programmable keys plus media controls to help increase your productivity. It also features a Blue button. The Access program guides you to a host of information and tools to help you set up, understand, maintain, and enhance your ThinkPad notebook or ThinkCentre desktop computer.

Features

- Seven programmable hot keys to launch applications or web sites to help user productivity
- Two built-in USB 2.0 Full Speed ports for additional desktop expansion
- Multimedia pod with easy-to-use audio and video controls.
- Page back and forward keys on the left side of the keyboard helps you easily navigate web pages in your Internet browser.
- Windows shortcuts are conveniently highlighted on the keys
