Mice GMS5010

Overview

DEMETER Laser gaming mouse: GMS5010

Feel the Power and Control of God in the Palm of Your Hand- GMS5010

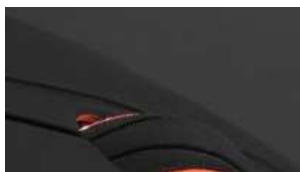

If you are classed as a casual gamer or a person who merely favor the idea of minimalism, then look no further, GAMDIAS DEMETER gaming mouse is the perfect solution to your desire. This optical gaming mouse has an ergonomic design with flair as well as comfort, and thanks to its symmetrical appearance, DEMETER has an ambidextrous design to benefit any warriors out there. However, DEMETER does not only bring simplicity but sophistication. It comes with up to 3600DPI plus 5 programmable macro keys for you to modify your weapon to outclass your enemies everywhere you go.
