

PowerPack T-Series

Portable Rechargeable Battery
for Smartphones & Tablets

Live Mobile: Stay Charged

Sleek, slender, and packing a power punch — the PowerPack T Series rechargeable batteries extend the life of your smartphone by up to six full charges*. Included Micro-USB cable plugs in to keep your Android smartphones charged, and also lets you easily recharge your PowerPack. iPhone users have the benefit of using their existing Apple charging cable for connection to the PowerPack. Know when it's time to recharge with the simple LED indicator, which uses LED lights to display the PowerPack's battery level status. Stay charged and stay in touch.
