

## PowerPack

### Ideal solution for charging your Smartphone while you're on the go!

The PNY PowerPacks are portable and universal rechargeable batteries for use with your smartphone. Stylishly designed in a sleek, high-end brushed-aluminum finish and offered in three capacities, PNY's PowerPack line-up meets the needs of the most demanding mobile lifestyles.

The PowerPack can easily be recharged from any USB port to keep you fully charged. It also features a universal USB output which is compatible with a wide range of devices. The included 20" Micro USB cable supports charging to Android, BlackBerry, and Windows Mobile devices, while the USB output accepts the charging cable from Apple devices.

Our unique Digital Display shows the exact numeric amount remaining on the PowerPack for 100% accurate battery life. For your convenience the PowerPack comes charged and ready for use!
