

Phantom 3 - Hardshell Backpack

The black Hardshell Backpack for Phantom 3 is a water-resistant storage and transport solution.

A custom foam interior is designed specifically to fit the Phantom 3 Professional, Phantom 3 Advanced, and Phantom 3 Standard quadcopters (other Phantom models not compatible).

The case features a zipper closure with an interior strap to hold the aircraft securely in place.

Fits:

1. Phantom 3 Professional, Advanced or Standard aircraft (other Phantom models not compatible)
2. One remote controller
3. Up to three Intelligent Flight Batteries
4. A set of four propellers
5. DJI Intelligent Flight Battery charger
