

Logitech®

V200 Cordless notebook mouse

Maximize productivity, minimize downtime. Compact, reliable, and with up to one year battery life, Logitech® V200 Cordless Notebook Mouse delivers a comfortable mobile experience without compromising performance. With 2.4GHz cordless technology providing interference-free operation, a storable micro-receiver for easy transport, Invisible Light™ optical tracking and Tilt Wheel Plus Zoom scrolling, V200 is ideal for travel. USB. 3-year warranty.

New 2.4GHz Micro-Receiver
5x stronger connection.*
Snaps into mouse for transport.

NOTEBOOK

Why to Buy

- **Unsurpassed Battery Life**—Up to one year of battery life keeps you going. Battery indicator light eliminates surprises.
- **Scroll in More Directions**—Tilt wheel for up-and-down and side-to-side scrolling, plus zoom. Great for viewing large photos and spreadsheets.
- **New 2.4GHz Micro-Receiver**—5X greater range and virtually no interference compared to conventional wireless. Snaps into base for transport and turns the mouse off.
- **Business Class Mobility**—Precision optical performance lets you maximize your productivity and minimize downtime.

*compared to conventional 27MHz wireless.
