On top of a full suite of advanced components, crystal-clear 7.1 channel audio and 44mm drivers, MasterPulse Pro over-ear headset features Bass FX - removable magnetic side panels that allow you to customize your audio experience. Close the panels to increase the treble and passive noise isolation or remove them to open up sound and enhance bass tones. The inline remote control box allows for quick on-the-fly adjustments while the padded ear cups and suspension headband ensures a comfortable fit. Ear cups also offer illumination with multiple color options. Control “the beat at your fingertips” with the MasterPulse Pro over-ear headset.
