MasterPulse MH320

Voice Chat with Crystal Clarity

Make your voice heard on the battlefield with the MasterPulse MH320 Gaming Headset. With a steel frame construction, this headset is built to last. The addition of a self-adjusting headband and ultra-soft leather earcups allows for premium comfort for all sized. And a bi-directional boom microphone gives you crystal clear audio with none of the background noise, so your entire squad can hear your commands. Speak loudly and lead your team to victory.

Features

- **Self-adjusting headband** fits heads of all shapes and sizes comfortably.
- **Flexible and durable steel frame** is durable while being flexible enough to fit various head shapes.
- **Fold-away flexible boom microphone** moves freely for quick and convenient positioning.
- **Bi-directional microphone** records sound clearly while minimizing background noise
- **Ultra-soft leather headband and ear cushions** provide maximum comfort for extended listening and gaming sessions
- **Closed-back earcups** provide passive noise isolation for better listening immersion.
