

Overview

EROS Stereo Gaming Headset: GHS2200 3.5mm

Be Loved and Admired by Allies as well as Enemies with the Power of God of Desire and Attraction- GHS2200 (3.5mm)

Listening to music is likewise a treat now with GAMDIAS employing 40mm professional gaming-level NdFeB magnet drivers to enhance the overall audio quality to reach the top, plus a rich bass that produces great balance and depth to every note that is played. The versatility of GAMDIAS EROS truly puts it in a league of its own.
