

SGH-2010-KKTA1

The Cooler Master CM Storm Ceres-400 delivers high-quality sound, in a rugged yet comfortable and light weight frame. Built for gamers "on the go", Ceres-400 delivers great ultra mobile sound at an affordable price. High Quality 40mm drivers bring out every detail in the game so you can react quickly and hear where the action is. Specially designed sound-absorbing cushions sit comfortably on your ears and help block out distractions or chatter from other gamers. Ceres-400 lets you enjoy the comfort, quality and competitive edge of a professional-grade gaming headset wherever you go.

Features

- Large high quality 40mm drivers deliver great sound quality
- Huge 90mm earpads provide great comfort
- Adjustable headband for a perfect fit
- In-line volume control and microphone on/off switch
- Rotatable flexible microphone arm
