100-Word Product Description	The ESSENTIAL GAMING BUNDLE is your first step toward winning. The HS50 Stereo Gaming Headset provides exceptional comfort, superior sound quality, and features rugged metal structural components to ensure long term durability. The K55 RGB keyboard packs intuitive RGB backlighting modes, 6 dedicated macro keys, multi-key anti-ghosting, and on-the-fly media controls provide customization and control. The HARPOON RGB mouse is built to perform, featuring a 6000 DPI optical gaming sensor with advanced tracking for precise control and lightweight, contoured design to support the quickest of movements. The MM100 Cloth Mousepad is the ultimate partner to high-DPI gaming mice with its optimized textile-weaved surface design that gives superior control and precision tracking for absolutely lethal in-game accuracy.
