49255-L48

SPECIFICATION

Patch panels shall be made of 16-gauge steel, and shall have a black painted finish with numbers below each port. The panel shall be offered in 24-, 48-, and 72-port configurations. The panel shall have the ability to allow for single port replacement of inoperative ports. 24-port configurations shall be compatible with Intact™ Intelligent Port Management System. Panels with label holders shall magnify the label printing.

INTACT™ INTELLIGENT PORT MANAGEMENT

Leviton 1RU 24-port QuickPort patch panels (49255-H24, 49255-L24) are "intelligent ready," enabling them to be upgraded in the field to become part of the Intact Intelligent Port Management System.

- Enables an initial lower-cost installation with a migration path toward an intelligent solution
- Panels are upgraded while still in the 19-inch rack or cabinet without removing connectors, preserving the integrity of permanent link testing
