\* Color photo speed is in Photo mode on Premium Glossy Photo Paper. Additional processing time will vary based on system configuration, software application and page complexity.

\*\* Lightfastness rating of 104 years with Epson Premium Glossy Photo Paper, and 200 years with Epson Watercolor Paper Radiant White, based on accelerated testing of prints displayed indoors, framed under glass. See [www.wilhelm-research.com](http://www.wilhelm-research.com) for test details and information on other Epson papers. Actual print stability will vary according to display conditions, light intensity, humidity, and atmospheric conditions. Epson does not guarantee longevity of prints. For maximum print life, display all prints under glass or properly store them.\*\*\* For more information about supplies for this printer and cartridge yields, go to [www.epson.com](http://www.epson.com). Cartridge yields will vary with images printed, print settings, paper type and frequency of use. Printer ships with full cartridges and some ink from the first cartridges is used for initialization.**EPSON®****Epson America, Inc.**
